The screenshot shows a web form titled "ABSTRACT SUBMISSION". At the top, it says "Title: untitled". Below this is a text input field with a placeholder instruction: "Enter the FULL TITLE of your submission. This will be used for printing in the final program (required)". The input field is currently empty. Below the text field is a "Choose File" button, which is currently disabled and shows "No file chosen". To the right of the "Choose File" button are two checkboxes: "Check this box to confirm permission to film your presentation at the event. Your final approval will be sought after the event for purposes of publishing. (required)" and "I confirm that this submission has been approved by all authors (required)". At the bottom of the form is a navigation bar labeled "Step 1 of 3" with three buttons: "Back" (disabled), "Cancel" (disabled), and "Next" (active). At the very bottom, there is a small link: "Contact us if you have a problem or wish to withdraw a submission: info@petex.info".

Please Note:

Depending upon the size of your abstract, it can take a considerable amount of time for it to change from Step 1 to Step 2 as your abstract uploads.
